

Temples of Bharat

"At the heart of this phenomenal world, within all its changing forms, dwells the unchanging Lord."

Isha Upanishad – Verse 1

Temples of India (Bharat) culturally have played the role of inner science universities and laboratories. They are an inspiration to the ability to achieve everlasting greatness spanning thousands of years, created by the stillness and beauty of the unchanging inner consciousness reflecting as exquisite artistic beauty of the ever-changing world.

This calendar is a dedication and celebration of the brilliant artistic expression of ancient seers and artisans, in addition to also acknowledging the scientific and advanced mathematical capability that was prevalent in the Indian Culture and its rich heritage that was needed to build these magnificent temple architectures.
